MEMORANDUM FOR: Colonel Koch

SUBJECT: Assessment of [] Projects

50X1

1. Attached hereto is a draft questionnaire modified somewhat in accordance with our discussion.

2. As we agreed at our meeting in your office, it would certainly seem appropriate and helpful for the assessment within DD/P conducted by your office to be modified in such a way as to obtain more specific detail. Thus, in No. 2 it might read: "What specific operations, programs or planning have been directly influenced by specific parts of this study or studies?"

3. It would be appreciated if you could submit either the specific documents or a consolidated DD/P assessment on these two publications [] by September the 4th.
